Re: In re the Matter of Adjustment of The Rates for Noncommercial Educational  
Broadcasting Compulsory License, Docket No. 96-6 CARP NCBRA U.S. Copyright  
Office, Library of Congress

Dear Counsel:

It has been brought to my attention that certain ASCAP Exhibits which were supposed to be two sided copies are missing the back or front page and that some copies were not clear. Accordingly, I am enclosing complete, new copies of the following exhibits:

- Ex. 301 - Corporation for Public Broadcasting's Preliminary report, "Public Broadcasting Revenue Fiscal Year 1995" (pub. Aug. 1996)
- Ex. 404 - Annual Report, WNET - New York, for the fiscal year of 1995-96
- Ex. 507 - Current excerpts regarding National Public Radio Music Programming
- Ex. 716 - Article, "XU tunes into commercial broadcasting, the university's growing Xstar radio network could divide into two groups," Cincinnati Business Courier, August 15, 1997
- Ex. 720 - The Boston Globe, four part series, publ. June 22 -25, 1997
- Ex. 721 - 1996 Compensation Comparison by Job Category - Radio & Television

It has also come to my attention that two lines were inadvertently dropped from page 9, ¶ 14, of Dr. Peter Boyle's written testimony when the equation on the next page of his testimony was inserted. Enclosed is a replacement page.

Should anyone find that they have any additional problems with their copies of ASCAP's Exhibits or Direct Case, please feel free to call me at (212) 819-8827, or send me a fax at (212) 354-8113 or write to me at the address listed above and I will try to correct the problem.

Very truly yours,

Carol Grajeda,  
Senior Legal Assistant
